2011 IIHF World Championship - Slovakia

Special e-mail address for fans

Email address for queries/questions: ms2011@bratislava.sk

Bratislava council has set up a special email address which can be actively used by dwellers of the Slovak metropolis as well as ice hockey fans to obtain more detailed information on the organisation of the 2011 IIHF World Championship.

ms2011@bratislava.sk creates greater space for interactive communication between the city, the 2011 IIHF Organizing Committee and the public, for suggestions, specific comments from Bratislava inhabitants regarding transport organisation, safety and public order.

Additionally, the city is preparing a NON-STOP hotline providing important information not only for domestic fans, but also international visitors in English, German and Russian throughout the duration of the championship.
