2011 IIHF World Championship, Slovakia

Bratislava plans four car parks for championship visitors

Car parks for cars and tour coaches.

During the 2011 IIHF World Championship four parking areas will be available: Zones 1 – 4 for cars and tour coaches. Each car park will be situated on a motorway turnoff and navigation system tables will be installed on the capital city bypass routes. The car parks are situated in the east part of the city as close as possible to the Orange Arena – approximately 3 – 6 km.

Parking zone 1 is situated in the Žabí majer area on Staviteľska street in the former customs warehouse compound. Zone 1 provides almost 40 000 m² of space for cars and coaches.

Toilets, showers, a buffet with warm food and a relaxation room with a warm drinks dispenser. The compound is fenced in with a guard gate and is guarded 24 hours a day by a camera system and private security guards.

Zone 2 is located in Prievozka on Hraničná street in the former Czechoslovak bus station compound and is zoned for coaches. The zone has approximately 24 000 m² of space zoned for parking, is guarded 24 hours a day, fenced in and equipped with a camera system. A dry toilet is also available.

Zone 3 is designated as a reserve car park in the event of Zones 1 and 2 being full to capacity. Both cars and coaches may park there. Zone 3 is located in Trnávke in the former technical service compound on Technickej street. The zone covers approximately 30 000 m².

Toilets, showers, a buffet with wrapped food (baguettes, soft drinks) and a relaxation room are available. The car park is fenced in and guarded 24 hours a day.

Zone 4 is located in Petržalka near the Old Bridge in close proximity to the River Fan Zone. This car park is recommended for the cars of fans who wish to spend some time in the River Fan Zóne on The Tyršovo embankment (Tyršovom nábreží)

Zone 1 parking fees amount to €4 per day for cars, €10 for coaches. Between 08:00 and 24:00 parking fees for coaches are €6 and €4 between 24:00 and 08:00.

Zone 2 parking fees are the same for coaches. Zones 3 and 4 are free.

The capital city has placed navigation information tables - which will also be motorised - on motorway turnoffs and bypasses

to navigate fans directly to their parking destinations.
