TODAY'S SPECIAL FEATURE

Welcome to Abu Dhabi and the 2011 IIHF
Asian Hockey Development Camp!

We're pleased to have you join us for some summer hockey fun in the hot desert and hope you'll enjoy our city as much as you'll enjoy the hockey camp.

Each day we'll have a fun and informative newsletter ready for you so you'll get more information about Abu Dhabi, the camp, the teams involved and some "fun facts" you can share with your friends.

As many of you are visiting Abu Dhabi and the UAE for the first time, we'd like to tell you a little bit about our city.

The UAE will turn 40 years old this year in December. As a young country, we have made incredible progress in a short time due to our natural oil resources, with oil being the UAE's #1 export. Our #2 export is dates, which you will see this time of the year hanging and ripening in mesh bags on the many date palm trees across the city.

ABU DHABI FUN FACT

Ice hockey isn't our only sport in Abu Dhabi. We also enjoy football, camel racing, and falconry. In fact, the tennis complex beside the hockey rink is where Rafael Nadal beat Roger Federer in the 2011 Mubadala World Tennis Championship.
